Thank you. After Mr. Friedman signs the agreement I will email a pdf back to you and Ms. Schilling.

PGV's request for an extension is granted. The response to our request for information is due on or before July 31, 2014.

EPA looks forward to receiving PGV's response.

Best Regards,

Subject: Tolling Agreement Related to the Puna Geothermal Venture Facility

Ms. Reynolds: attached is the Tolling Agreement. Mr. Ohad Zimron signed the agreement on behalf of Puna Geothermal. After Mr. Friedman signs the agreement, please "pdf" a copy of his signature page to me and my colleague, Emily Schilling. Her email address is: ECSchilling@hollandhart.com.

Based on your representation that the United States will agreed to an extension of time until July 31, 2014 subject only to the condition that Puna Geothermal sign a tolling agreement, which it has done, the company will provide the requested information to USEPA on or before July 31, 2014. In addition, my understanding is that we do not have to wait for Mr. Friedman or some other USDOJ attorney to sign the agreement in order for the deadline to be extended. If my understanding is incorrect, please contact me immediately. Regards,
